

Maple Syrup Masters

WORKSHOP SERIES

*An introduction to syrup making
and facility tours at a sugar shack near you!*

The Friends of Wagbo Sugarbush (FWSB) is a group of volunteers and supporters of the Maple Sugaring program at Wagbo Farm & Education Center in East Jordan. Our mission is to share the unique and remarkable "agri-cultural" tradition of Maple Sugaring with our community. This year Wagbo is collaborating with several local farms (small, medium and large) that are opening their doors for demonstrations and tours. Participants will get hands-on experience learning the ins & outs of syrup making from tapping to bottling and marketing. We are welcoming newbies and/or experienced folks to learn more about this longstanding craft and the diversity of sugaring systems in our region. See the schedule below:

Wednesday, February 22 - Wagbo Farm Sugar Bush @ 1:00 p.m. to 4:00 p.m. - Orientation & Tapping Trees hands-on demonstration, small scale (700 taps) located at 5745 N M-66, East Jordan, MI, ph: (231) 536-0333 Jen Lewis & Gabby Waterman.
